REVISED SECOND SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents

Sir:

A Second Supplemental Information Disclosure Statement was filed in the subject U.S. patent application on April 27, 2009. It cited to the USPTO several documents that were cited to the German Patent Office in an opposition which was filed on April 2, 2009. One of those documents was a portion of a German language textbook which was authored by Helmut Kipphan.

An English language version of this material has now been located and is enclosed. Also enclosed is a PTO/SB/08b form. Since this material is the English language equivalent of the German language material that was filed on our April 27, 2009, it is believed that no additional fee is required in connection with this submission. The three month term period under 37 C.F.R. 1.97(d) has not yet expired, so submission of this material at this time is believed to be proper.

If there are any fees required in connection with this submission, they are authorized to be charged to the Deposit Account No. 10-1213 of the undersigned.

Entry of this translated material into the file of the subject U.S. patent application, and its consideration by the Examiner, is respectfully requested.

Respectfully Submitted,

Günther Oskar ECKERT et al.
